

# Credit Card Balance Transfer Authorization

Use the following guidelines to transfer your high-rate credit card balances to your Sikorsky VISA card. List the transfer that is most important to you first. The requested transfers cannot exceed your established VISA credit card limit. Your credit card statement will show a payment for the transferred amount(s). To ensure that your credit/charge accounts remain in good standing, you should continue making monthly payments until all the amounts being paid appear as credits on your other creditor's statements.

Please mail to Sikorsky Financial Credit Union, P.O. Box 305, Stratford, CT 06615-0305, Attn: Operations Department.
