### **Types of Transfers**

You may use your Online Banking credentials to access External Funds Transfer (Transfer Between My Accounts) and Popmoney (Pay Other People) within the Service. To access the Service select External Transfers from the Transfer Funds drop down menu in Online Banking. You will be presented with two options for transferring funds.

Select "Transfer Between My Accounts" (External Funds Transfer) to transfer funds to or from your Accounts held at other financial institutions. You may add up to 5 external accounts to External Funds Transfer. You can delete and re-add the same account only twice. If an account is deleted three times, it cannot be added again.

Select "Pay Other People" (Popmoney) to transfer funds to the account of a Recipient. You may send money to a Recipient using a mobile telephone number, an email address, or a bank routing number and account number. The Recipient has 10 days from the send date to deposit your transferred funds, after which the transfer will expire and the funds will be returned to your account. The credit back to your account will not be immediate and may take up to 10 business days.

We may charge a fee for certain transfers as well as for additional features. Refer to our Schedule of Charges on our website [https://www.sikorskycu.org/vSiteManager/Upload/Docs/Schedule\\_of\\_Charges.pdf](https://www.sikorskycu.org/vSiteManager/Upload/Docs/Schedule_of_Charges.pdf) for the current fees. Fees associated with your Service activity will be disclosed to you prior to initiation of the transfer or use of the feature.

Some of these services may not be available at all times. We may from time to time make available additional or new features to the Service, such as a next day service. You will be approved or declined for any such additional service at our sole discretion and additional terms and conditions may apply. Please ensure that you have sufficient funds to affect any funds transfers from your Accounts. We may at any time decline to affect any funds transfer that we believe may violate applicable law.

### **Frequency of Transfers**

We do not limit the number of funds transfers you may make between your accounts. We limit the number of transfers you may make when sending money to other people to 15 per day and 30 per month.

### **Dollar Amount of Transfers**

You may not make funds transfers in excess of limits described on the Service. The minimum allowable transfer amount is \$10.00. We reserve the right to change from time to time the dollar amount of funds transfers you are permitted to make using the Service. For example, we may automatically increase your limits based on your transfer activity. Without limiting the foregoing, in the event that your use of the Service has been suspended and reinstated as provided herein (see "**Suspension and Reinstatement of Funds Transfer and Popmoney Service**" below), you understand and agree that your use of the Service thereafter may be subject to lower dollar amount limitations than would otherwise be permitted by us.

### **Transfers subject to the Rules of the Accounts**

Additionally, all funds transfers are also subject to the rules and regulations governing the relevant Accounts. You agree not to effect any funds transfers from or to an Account that are not allowed under the rules or regulations applicable to such accounts including, without limitation, rules or regulations designed to prevent the transfer of funds in violation of OFAC regulations.

### **Stop Payments and Cancellations**

A transfer can be edited or cancelled until the Send Date. To edit or cancel an External Funds Transfer, go to Activity within the External Funds Transfer Service. Click the Edit option to the right of the amount. There is no fee to edit or cancel a transfer.

You can stop payment on a Popmoney transfer after the send date until the transfer has been completed. To check the status of a transfer, go to the Activity tab in Popmoney.

To stop payment on an External Funds Transfer you must contact the Credit Union.

We may be unable to stop a transfer once the stop payment instruction has been submitted. We will make a reasonable effort to accommodate the stop payment request however we will have no liability for our failure to do so. If the stop payment has been confirmed after the Account was debited, it may take 2-3 business days for the Account to be recredited.

There is a fee for placing a stop payment on a Transfer. Refer to our Schedule of Charges on our website for current fees [https://www.sikorskycu.org/vSiteManager/Upload/Docs/Schedule\\_of\\_Charges.pdf](https://www.sikorskycu.org/vSiteManager/Upload/Docs/Schedule_of_Charges.pdf).

### **Rejection of Transfers**

We reserve the right to decline to affect any funds transfer, to submit funds transfer instructions or orders or to carry out change or cancellation requests.

### **Authorization**

You authorize us to select any means to execute your funds transfer instructions. You understand that to affect your funds transfer instruction we utilize the Automated Clearing House (ACH), using applicable ACH Rules; we debit one of your Accounts and credit another of your Accounts or an account of a Recipient. Once your Account has been debited, we credit our service provider's transfer account at the service provider's clearing bank. After our service provider and/or its clearing bank are reasonably certain that the debit will not be returned (in most cases this is usually between 3-4 banking days), our service provider will credit you or the Recipient's Account. The sole purpose for our service provider's transfer account is to complete your funds transfer requests and for performing the services within the scope of this Agreement. The service provider earns no interest on the funds in the transfer account. If the debit side fails or is returned for any reason and the credit side has been released and cannot be collected, you authorize our service provider to collect from the Account to which the credit side of the funds transfer was sent. We reserve the right to resubmit a debit, or a portion of the debit, in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited. To effect this collection, you understand and authorize us to debit the credited Account or the debited Account in either the same dollar amount as the original funds transfer or a portion of the debit. There may be a fee associated with such collection imposed by the financial institution holding the Account.

You understand and agree that we may from time to time impose additional charges in connection with your funds transfer transactions. Sikorsky Financial Credit Union, Inc. will notify you of such fee in advance of the transaction. If you choose to proceed with the transaction, you authorize us to debit your account in the amount indicated.

In the event that a debit to any of your Accounts, or any portion of any such debit, has failed and the credit side of such transaction has been released and cannot be collected, and we are unable to debit either the debited or the credited Account as set forth above, we reserve the right, and you hereby authorize us, to debit any of your other Accounts to the extent necessary to offset any resulting deficiency. We do not undertake to notify you in such event, other than by posting any such transfer or transfers to the applicable Account in accordance with this Agreement (see "**Documentation**," below).

You understand and agree that in the event we are unable to execute your funds transfer request utilizing the ACH, we may utilize other established payment mechanisms in order to complete your funds transfer instructions, such as wire transfer or check.

If you have requested for a funds transfer to a Recipient, you must provide us with a true, correct, current email address or mobile phone number for such Recipient. We will contact the Recipient, and ask the Recipient to provide us with certain information, such as the account number and financial institution that they wish to transfer the funds to. If the Recipient fails to reply to the email or fails to follow the instructions provided by us, we will notify you and credit your Account for the amount of the transfer.

### **Suspension and Reinstatement of the External Funds Transfer and/or Popmoney Service**

In the event that we at any time incur a problem with your use of the Service, including without limitation a failure in attempting to debit any of your Accounts or to collect with respect to any of your funds transfers as described above, and without limiting any other right or remedy that we may have under this Agreement or otherwise, we reserve the right to suspend your right to use the Service, immediately and without prior notice to you. You understand and agree that such action is reasonable for us to take in order to protect the Credit Union from loss. In the event of such suspension, you may request reinstatement of your service by contacting us using any of the methods provided for under this Agreement (see “**Error Reporting and Claims**,” below). We reserve the right in our sole discretion to grant or deny reinstatement of your use of the Service. In the event we agree to reinstate you, we reserve the right to, and ordinarily will, initially reinstate your Service subject to lower per-transaction and monthly dollar limits and/or with other restrictions than otherwise might be available to you. Based upon your subsequent usage of the Service, Sikorsky Financial Credit Union, Inc. in its sole discretion may thereafter restore your ability to effect transfers subject to such higher limits as may then be in effect.

### **Documentation**

You may access a listing of all your External Transfers and their status at any time by clicking on the Activity tab within External Funds Transfer or Popmoney. If a transfer could not be completed, Sikorsky Financial Credit Union, Inc. and/or our service provider, upon learning that the funds transfer has failed, will make a reasonable effort to complete the transfer again. If the funds transfer fails a second time, we will notify you to contact your financial institution or other provider of the relevant Account to learn more about the failure.

### **Security Procedures**

You understand that the financial institution at which an Account is maintained may contact us to verify the content and authority of funds transfer instructions and any changes to those instructions. You understand that, as your agent, we may provide to such financial institution such information as may be required to verify the instructions and may constitute a valid security procedure under the rules governing such Account.

### **Deviating from Security Procedures**

You agree to allow us to authorize any financial institution at which you have an Account to accept funds and transfer instructions in accordance with any authorization procedures as may be agreed from time to time between you and such financial institution, or between us, on your behalf, and such financial institution, without verifying the instructions under the established security procedures, regardless of whether such security procedures were agreed by you directly or by us on your behalf. In addition you agree that we may authorize such financial institutions to charge and debit your accounts based solely on these communications.

### **Account Number Policy**

If funds transfer instructions identify a bank or beneficiary by name and account number, the relevant financial institution may execute those instructions by reference to the number only, even if the number does not correspond to the name. You understand that such financial institutions may not investigate discrepancies between names and numbers. In addition, you agree that we have no responsibility to investigate discrepancies between names and numbers.

### **Joint Account Holder**

In submitting your application for the External Funds Transfer and Popmoney Service, you confirm that, if any of your Accounts is a joint account, your joint account holder has consented for you to use your Accounts for the Service. We will end your use of the Service if any joint account holder notifies us that (i) they never consented to your use of our External Funds Transfer and Popmoney Service, (ii) the joint account can no longer be operated on your instructions alone, or (iii) they are withdrawing consent for you to operate the joint account.

### **Means of Transfer**

You authorize us to select any means we deem suitable to provide your funds transfer instructions to the applicable financial institution. These choices include banking channels, electronic means, funds transfer systems, mail, courier, or telecommunications services, intermediary banks and other organizations. You agree to be bound by the rules and regulations that govern the applicable funds transfer systems, such as CHIPS or automated clearing house (ACH) as published by the National Automated Clearinghouse Association (NACHA). We shall make all reasonable efforts to ensure that your transfer requests are processed on time; however, we reserve the right to hold funds beyond the normal period and if any interest is earned will be the property of Sikorsky Financial Credit Union, Inc.

### **Our Liability**

If we do not provide a funds transfer instruction on time, if we cause an incorrect amount to be removed from an Account or if we cause funds from an Account to be transferred to any account other than the Account or Recipient's account specified in the applicable funds transfer instruction, we shall be responsible for returning the improperly transferred funds and/or for directing any misdirected funds to the proper Account or intended recipient's account. Sikorsky Financial Credit Union, Inc. is not responsible or liable if your or the Recipient's financial institution's system fails and we are unable to complete the transfer. Except as otherwise required by law, Sikorsky Financial Credit Union, Inc. shall in no other event be liable for any losses and damages other than those arising from gross negligence or willful misconduct on our part or if we breach a representation or warranty of Sikorsky Financial Credit Union, Inc. hereunder.

You agree that your transfer instructions constitute authorization for us to complete the transfer. You represent and warrant to us that you have enough money in the applicable Accounts to make any funds transfer you request that we make on your behalf through the Service. You understand and agree that we are not liable under any circumstances for any losses or damages if, through no fault of ours, you do not have enough money to make the funds transfer and the funds transfer is not completed or is later reversed or if your financial institution does not permit the transfer or the funds transfer would exceed the credit limit on any applicable overdraft line.

You also understand and agree that we are not responsible for any losses or damages if circumstances beyond our control (such as fire or flood) prevent us from making a funds transfer or if the Sikorsky Financial Credit Union, Inc. website was not working properly and you knew about the breakdown when you started the funds transfer.

You agree not to impersonate any person or use a name that you are not authorized to use. You warrant and represent that you are the person intended by the Transferor and entitled to receive the Funds; that you are not a person whose Accounts are blocked under regulations of the Office of Foreign Asset Control (OFAC) of the United States Treasury Department; and that the Information you will provide is true, correct and complete.

We reserve the right to decline to complete any transfer, even after you have agreed to all of the Terms, if we have reason to believe that completing the transfer would result in a violation of law or expose us to liability or risk of loss. If the transfer is rejected for any reason, the funds will be returned to the Transferor.
